

Managing Remote and Virtual Teams

Overview

Managing remote teams is now a common occurrence. Working virtually offers unique advantages and challenges. But how do you best leverage these benefits while overcoming impediments? This course will teach you to adjust your management style to successfully improve communication, foster connections, increase productivity, and develop highly successful remote and virtual teams.

Target Audience

Executives, directors, managers, and others tasked with making important decisions for their organizations.

Course Objectives

After completing this course, students will know how to:

- Effectively manage team dynamics in remote and virtual teams
- Leverage communications technologies to the benefit of your remote and virtual teams
- Identify the specific skills required for managing remote and virtual teams
- Evaluate the impact of culture and language on your team's performance

Course Outline
